THE MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(a) INDIAN IT & ITES (BPM) INDUSTRY

Fitch Ratings-Hong Kong/Singapore-28 April 2021 states a robust digital-transformation order pipeline will support Indian IT services companies' stronger revenue growth in the financial year ending March 2022 (FY22), says Fitch Ratings. According to Fitch the impact on Indian IT service companies from the recent surge of Covid-19 cases in India will be limited, as revenue from India contributes only 4%-5% of the total revenue of these companies. However, their operations may be affected if the situation continues to worsen, such that more employees are unable to work and the delivery of projects is delayed.

Fitch believes demand has increased significantly since last financial year as business customers accelerate efforts to offer enhanced online services and online working platforms to remain competitive and relevant in a business environment affected by the pandemic. IT services spending will rise by 9% in 2021, after a 2% decline in 2020, according to research firm Gartner. Fitch expect Indian IT companies to expand faster than the industry average, as they have significant cost advantages compared with peers in the developed countries due to lower labour costs in India.

According to Fitch companies that focus on digital transformation to perform better than those in legacy IT businesses such as business process outsourcing.

On profitability, Fitch forecast EBIT margins in FY22 to be lower than FY21, but should not be weaker than pre-pandemic levels. FY21 EBIT margins of top-tier Indian IT companies were around 2pp higher than FY20, as there were savings from travel and office-related expenses, in addition to salary freezes due to the pandemic. A higher offshoring trend and lower attrition rates also supported profitability.

Fitch expect some of the savings to reverse, as travel resumes and offices open gradually in FY22-FY23. Wages should start rising again on robust business performance and a stronger job market. Fitch also believe competition and supply chain pressures will also prevent EBIT margins from staying at the peak level in FY21. Even so, the offshoring trend is less likely to reverse, as remote working has proved to be successful for most customers.

IMPACT OF COVID -19 ON IT INDUSTRY

According to Nasscom, on average, industry-wide revenue decreased 6 percent q-o-q in Q2 FY20 as project execution was impacted by lockdowns and demand dropped amid market disruption. Sectors such as aviation and hospitality have undergone significant downturns and reduced their IT spending dramatically.

The report stated, "The impact of the coronavirus pandemic is likely to be only moderate and "short term", as customers focus on transforming their businesses digitally, moving services and work platforms online, and minimise spending on legacy services".

It is expected that the industry will take advantage of its low-cost activities and retain its strong presence in the global IT market. As it primarily serves US and Europe-based customers, it will continue to remain export-driven.

According to the study, companies are likely to step up their efforts to keep their companies alive by providing cloud-based online services and online job platforms. Research firm Gartner has projected that revenue from the Indian IT services market will rise by a 10 percent CAGR and hit \$350 billion in 2025. Fitch assumes that digital organizations, such as automation tools and cloud-based service delivery, are expected to perform better than those with a reliance on IT services.

For the IT services industry, revolutionary innovations such as big data analytics, cloud computing, and machine learning will become new growth drivers. "It believe that Indian IT services companies will benefit by helping their clients achieve automation, implementing cloud services, moving online products and processes, and enhancing digital channel customer experiences," the report said. Fitch assumes that it would not impact sales growth, despite over 90% of the employees of most IT companies working from home (WFH), as most businesses have recorded a smooth transition to WFH.

In the longer term, effective WFH initiatives can suggest greater offshoring, as they provide clear evidence that projects can be delivered remotely.' Fitch assume that the billing rates are 3-4 times higher for onsite work than for offshore work. As a result, a higher percentage of offshore projects may affect the rate of revenue growth of the industry," the report said.

COMPANY OVERVIEW

A leading name in the Business Process Management (BPM) and IT Services space in India, CES Ltd. (CES) specializes in providing customer-oriented solutions in Financial Services, Healthcare and e-Commerce domains. Its strengths lie in building long-term customer relationships through alignment with customer's business goals, and offering world class, flexible and cost effective solutions. The Company is headquartered in Hyderabad, with presence across the globe through its state-of-the-art delivery centers and offices. Within India, the delivery centers are located in the IT hubs of Hyderabad, Chennai and Visakhapatnam. It also has near-shore presence through facilities in Europe, North America and the Middle East. IT-enabled Services or BPM solutions is the larger segment from a revenue standpoint, with majority of the services exported to United States. The Company has mastered the onsite, offsite and offshore delivery models, and can tailor its solutions as per customers' needs, and deliver to their satisfaction leveraging its proven, quality processes and skilled manpower. It has an established track record of delivering faster ROI for its customers in specific niches within various industries, such as:

- Asset Management space within the Financial Services industry
- EHR/EMR offerings and Consulting services to the Healthcare

FUTURE OUTLOOK

India is the topmost offshoring destination for IT companies across the world. Having proven its capabilities in delivering both on-shore and off-shore services to global clients, emerging technologies now offer an entire new gamut of opportunities for top IT firms in India. Export revenue of the industry is expected to grow 7-9 per cent year-on-year to US\$ 145-150 billion in FY20. The industry is expected to grow to US\$ 350 billion by 2025 and BPM is expected to account for US\$ 50-55 billion out of the total revenue.

OPPORTUNITIES

The constant focus on process improvement by automation and continuous benchmarking of delivery to improve focus, have resulted in customer satisfaction every time. Our customers stand testimony to our track record of providing outstanding customer experience and maximizing their Return on Investment. **Building Lasting Relationships** has always been our culture and that focus enables us to deliver enhanced business value, a culture that inspires our actions and is a part of our DNA.

We also aim to offer our services in the domestic market by positioning our services to suit the domestic business with its unique Services.

THREATS

CES Limited is in an industry where attrition is one of the major concern areas. The Company in the international business faces tough challenges in getting employable manpower from the available manpower pool. CES Limited has been investing a lot of resources for training candidates on the basic skills that are required to make them employable. The attrition rate in the Domestic business is also on similar lines. CES has extended its learning in the International segment to Domestic market and necessary processes are in place to ensure that right candidates are being hired, trained and retained.

(c) Risks and concerns.**BUSINESS RISKS.**

The International business is affected adversely by Covid -19 and we are actively monitoring the business trends and accordingly management is acting as per situations of industry . The offshore servicing business which yields exports revenue has not grown and it continues to have a lower Capacity Utilization. We have teams in US as well as consultants will keep putting efforts to grow this business.

The Domestic business is improving gradually and pricing in the market has been increasing gradually. We now have good capacity utilization in this business at rates which are much higher than what we were getting a few years back. The plan is to keep looking for strategic contracts where we can negotiate higher rates and make this business more profitable.

INDIAN COMPLIANCE AND TAXATION RISK

Taxes and other levies imposed by the Government of India. In particular we will be affected by the taxes and laws levied by authorities such as a) Income Tax b) GST etc. We are taking adequate efforts to comply with the entire statutory requirement on an ongoing basis and the same is subject to Internal Audit on a quarterly basis. We also take the help of external consultants to handle specific issues as and when it arises.

Ministry of Corporate Affairs and Security Exchange Board of India has issue various circulars, Notification and amendments during the financial year 2020-21. Our Company has taken necessary steps to ensure Compliance of all the above.

EXCHANGE FLUCTUATION

Movements in exchange rates continue to be a threat. There has been volatility in the exchange rate between INR and USD in the recent years and these currencies may continue to fluctuate significantly in future as well. While the rupee was range bound between INR 73- 75 against the USD for most part of the year, there was a sudden movement of the rupee towards the last fortnight of the financial year where in the rupee appreciated upto 77 INR. Also the increase in share of domestic revenue will mitigate this risk to an extent. Our results of operation will be affected if the rupee- dollar rates continues to behave in a volatile manner in future or rupee appreciates significantly against dollar and other currencies.

GEOGRAPHICAL CONCENTRATION OF CLIENTS

Our Company has a global footprint and the revenues are dependent on clients located predominantly in US. As a strategy we continue to focus on increasing the share of our Revenues from US as the margins are better compared to Domestic business. As a result the Company is exposed to various risks typically associated with doing business in various countries, many of which are beyond the control of the management.

INFRASTRUCTURE RISKS

The Company has invested substantially in the state of the art infrastructure and equipment in its centers to provide a world-class service to its customers. Service to our clients also depends on the uninterrupted functioning of these equipment, power and stability of telecom network. Any obsolescence in the infrastructure and equipment leading to incompatibility with client's systems or any disruption in the essential services may affect the business of the company. Adequate backups and redundancy measures are in place for uninterrupted functioning of IT and telecom equipment. AMC of all equipment is being monitored for timely renewals wherever needed. Insurance for fixed assets and all office locations is in force and is monitored for timely renewals and adequacy of risks covered under Office package policy.

HUMAN RESOURCES RISK

ITES (BPM) industry is a labour intensive industry and the Company's success depends on its ability to retain key employees. Historically employee attrition has been a common feature in this Industry and but our Company has a low level of attrition compare to industry. There have been cases of companies losing KPO orders for not being able to demonstrate a competent team that can manage a large workforce. Increasing level of attrition further complicates the problem.

There is a gap between the supply and demand of work force. Further, the available man power is not immediately employable in terms of the skill sets required for the industry. Thus the shortage of supply in quality manpower both at the managerial level and at the agent's level may significantly affect the functioning of the Company.

a) Internal control systems and their adequacy:

CES Limited (CES) has adequate internal controls and checks in place for its operations across all locations. The internal control systems are robustly designed keeping future requirements and needs also in focus. The management systems being followed at CES comply with international standards.

Compliance and Certification Achievements in the Year 2020: 2021**Payment Card Industry – Data Security Standards (PCI-DSS) Certification:**

CES Has completed its certification in the Payment Card Industry – Data Security Standards for Payment Cards for Hyderabad and Chennai Locations. This certification shall ensure globally that "Data Security" is given the highest priority with best practices being implemented and maintained at technical as well as operational level components while performing business process activities like Order Processing, Payment Processing, Customer Support services, Fraud Verification, etc., for its global clients.

Cyber Security Framework:

With a focus on securing its Network, Servers, systems and end-users, CES has initiated the implementation of the Cyber Security Framework provided by NIST (National Institute of Science and Technology – USA).

The NIST cyber security framework is a powerful tool to organize and improve your cyber security program. It provides a set of guidelines and best practices to help organizations build and improve their cyber security posture. The framework puts forth a set of recommendations and standards that enable organizations to be better prepared in identifying and detecting cyber-attacks and also provides guidelines on how to respond, prevent, and recover from cyber incidents.

HIPAA Compliance:

With software projects being developed for US Healthcare organizations, CES with a focus to comply and align its Software Development activities has started implementing the "Health Insurance Portability and Accountability Act" guidelines. These guidelines provide Data Security Standards set at the highest level for all Hospitals, Insurance organizations, Health care providers, etc., across the US while developing any applications or products for them by CES here in India at its Offshore Development Centers.

Service Organization Controls: SOC Compliance

CES has implemented and demonstrated SOC (Service Organization Controls) compliance. An International compliance framework that assures its customers that a set of best Security Practices are being followed and complied while using the customer-provided Information, Documentation, Data, etc. during the Business Process execution from CES offshore locations that support Customer Business.

This also helps service organizations like CES Ltd that provide services to customers and other entities, build Trust and Confidence in the service(s) performed and controls related to the services through a report by an independent Certified Public Accountants from AICPA (American Institute of Certified Public Accountants).

ISO 27001: 2013 – International Standard for Information Security:

CES is a Certified Organization for Information Security and has continuously demonstrated its compliance to Confidentiality, Integrity, and Availability of Information and Data at various levels thru its periodic audits performed by **TUV INDIA PVT LIMITED** (an Independent and Internationally Accredited Certification body).

ISO 22301: 2000 – International Standard for Business Continuity

Having esteemed customers added to its business, CES is also certified on **ISO 22301: International Standard for Business Continuity Management**. This shall enable and assure customers that CES is capable of delivering the agreed services despite any business disruptions. Having added the new Vishakhapatnam location, CES promises a robust Business Continuity Framework for Service Delivery and Software Delivery activities from Hyderabad-Chennai-Vishakhapatnam locations. The Business Continuity Model of Hyderabad –Chennai – Vishakhapatnam in India gives the assurance and flexibility to the customers to meet the expectation on Availability, Integrity, and Security of his Business Processes requirements supported by CES.

Our Corporate Quality team is continuously trained on all International Standards, Frameworks, Industry Specific Compliance, and Governance requirements and has good competency in performing audits efficiently and effectively across all locations.

With a focus on Information and Data Security, Customer Delight, and Delivery Assurance, all our operational locations are audited frequently to ensure that the People, Processes, and Infrastructure adheres to the best practices of safety, security, reliability, and availability for all its customers and interested parties.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
M/SCES LIMITED**

Report on the Audit of Consolidated IND AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **CES LIMITED** ("the holding Company"), subsidiaries (the holding Company and its subsidiaries together referred to as "the Group") comprising the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, the consolidated Profit, consolidated total comprehensive Income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of

Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of the Group..

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit Procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the

group to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated Financial Results include the audited Financial Results of Four subsidiaries, whose Financial Statements reflect Group's share of total assets of Rs.12,337.33 Lakhs as at 31st March 2021, Group's share of total revenue before elimination of Rs. 7,418.92 Lakhs and Rs. 23,009.79 Lakhs and Group's share of total net profit after tax of Rs.1,369.03 Lakhs and Rs. 2,276.88 Lakhs for the quarter ended 31st March 2021 and for the period from 01-04-2020 to 31-03-2021 respectively, as considered in the consolidated Financial Results, which have been audited by their respective independent auditors. The independent auditors' reports on financial statements of these entities have been furnished to us and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, based on our audit and the other financial information of subsidiaries, as noted in the 'other matters' paragraph, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act and the relevant rules issued there under.

- e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2021, and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the companies included in the group and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and
- g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has no pending litigations which would impact on its financial position
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the companies included in the group

“ANNEXURE A”
ANNEXURE TO INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE
CONSOLIDATED FINANCIAL STATEMENTS OF CES LIMITED

Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 (‘The Act’)

In conjunction with our Audit of the consolidated Ind AS financial statements of the company as of and for the year ended 31st March 2021, we have audited the internal financial controls over financial reporting of **CES LIMITED**(‘the Holding company’) and its subsidiary companies which are incorporated in India, as of the date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the holding company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the holding company, its subsidiaries which are companies incorporated in India, internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit

to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the consolidated IND AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the holding company, its subsidiaries, which are companies incorporated in India, has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2021, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute Of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

21. Company overview

CES LIMITED together with its subsidiaries (Collectively “the Company”) is an Information Technology (IT) and Information Technology Enabled Services (ITES) provider, dedicated to serving the midsize market of global enterprises.

22. Significant accounting policies

22.1 Basis of preparation of financial statements

(i) Compliance with Ind AS

These Consolidated Financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act 2013 and other relevant provisions of the Act.

(ii) Historical Cost Convention.

These Consolidated Financial Statements have been prepared on a historical cost basis, except for the following:

- Defined Benefit Plans – Plan assets measured at fair value.

22.1a Principles of Consolidation:

The consolidated financial statements have been prepared on the following basis:

The consolidated financial statements include the financial statements of CES Limited and its subsidiaries CES USA Inc. (Wholly owned subsidiary), CES Information Technologies Private Limited (70% owned), CES Technology Services Private Limited (99.99% Owned), CES Global IT Solutions Private Limited (99.99% Owned). The financial statements of the parent company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of all items of assets, liabilities, incomes and expenses after eliminating all intercompany balances/transactions.

Minority interest in the net assets of consolidated subsidiaries is the amount of equity attributable to the minorities at the dates on which investment in a subsidiary is made and the minority's share of movements in equity since the date of parent subsidiary relationship came into existence.

22.2 Use of estimates

The preparation of the financial statements in conformity with the recognition and measurement principles of Ind AS require the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Actual results could differ from those estimates. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, and the useful lives of

fixed assets and intangible assets. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

22.3 Revenue recognition

Income from software services and products: Revenue from professional services consist primarily of revenue earned from services performed on a "time and material" basis. The related revenue is recognized as and when the services are performed. The Company also performs time bound fixed-price engagements, under which revenue is recognized using the percentage of completion method of accounting. The cumulative impact of any revision in estimates of the percentage of work completed is reflected in the year in which the change becomes known. Provisions for estimated losses on such engagements are made during the year in which a loss becomes probable and can be reasonably estimated.

Revenue from the sale of user licenses for software applications is recognized on transfer of the title in the user license, except in case of multiple element contracts requiring significant implementation services, where revenue is recognized as per the percentage of completion method.

Interest income is recognized using the time proportion method, based on the transactional interest rates.

22.4 Fixed Assets

Tangible assets

Tangible assets are stated at actual cost less accumulated depreciation. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, finance charges and other incidental expenses incurred during the construction/installation stage.

Intangible assets

Intangible assets are recorded at consideration paid for acquisition and other direct costs that can be directly attributed, or allocated on a reasonable and consistent basis, to creating, producing and making the asset ready for its intended use.

Depreciation

In respect of fixed assets (Other than freehold land and capital work-in-progress) acquired during the year, depreciation/amortization is charged on straight line basis so as to write off the cost of the assets over the useful lives and for the assets acquired prior to April 1, 2014, the carrying amount as on April 1, 2014 is depreciated over the remaining useful life based on an evaluation.

The cost of and the accumulated depreciation for fixed assets sold, retired or otherwise disposed off are removed from the stated values and the resulting gains and losses are included in the profit and loss account. Lease payments under operating lease are recognized as an expense in the profit and loss account. An impairment loss is recognized wherever the carrying amount of the fixed assets exceeds its recoverable amount.

22.5 Foreign Currency transactions and translation

Transactions in foreign currency are recorded at exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currency are translated at the rate of exchange at the balance sheet date and resultant gain or loss is recognized in the profit and loss account. Non-monetary assets and liabilities are translated at the rate prevailing on the date of transaction.

22.6 Taxes on Income

Tax expense for the year comprises of current tax and deferred tax.

Income taxes are computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

The differences that result between the profit considered for income taxes and the profit as per the financial statements are identified, and thereafter a deferred tax asset or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount being considered. The tax effect is calculated on the accumulated timing differences at the end of the accounting period based on prevailing enacted or substantially enacted regulations. Deferred tax assets are recognized only if there is virtual certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

22.7 Earnings per share

In determining earnings per share, the Company considers the net profit after tax and includes the post tax effect of any extra-ordinary / exceptional item is considered. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable, had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

22.8 Retirement benefits to employees

Gratuity

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees, based on actuarial valuation made by an independent actuary as at the balance sheet date. In accordance with the Payment of Gratuity Act, 1972, the gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees' salary and the tenure of employment.

Provident Fund/ESI

Contributions to defined Schemes such as Provident Fund/ESI are charged as incurred on accrual basis. Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the government administered authority.

22.9 Impairment of assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset (including goodwill) may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined; if no impairment loss had been recognized.

22.10 Segment Accounting Policies

(a) Segment Assets and Liabilities:

The assets of the Company are used interchangeably between segments, and hence the assets and liabilities of the Company are currently treated as inseparable.

(b) Segment Revenue and Expense:

The Revenue and direct cost (including the payroll cost of all the employees and consultants which can be attributed to the revenue), excepting the unallocable costs like personnel cost for the supporting services, depreciation, operating expenditure, interest income on deposits, provision for contingencies and income tax, are directly attributed to the respective segments.

22.11 Provision and Contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

Notes to Consolidated Financial Statements for the year ended 31 March 2021:

23. Related Party Transactions:

During the current financial year, the Company has entered into some transactions, which can be deemed as related party transactions. All these matters have been approved by the Board and the Govt. of India, wherever necessary.

Related Party Disclosures:

24. There are no dues to SSI units outstanding for more than 45 days.
25. The Companies operations predominantly relate to providing IT Services in two primary business segments viz. IT Services and IT Enabled Services (ITES). The Company considers the business segment as the Primary Segment and Geographical Segment based on the location of the customers as the Secondary Segment. The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainders of costs are apportioned on an appropriate basis. Certain expenses are not specifically allocable to individual segments as underlying services are used interchangeably. The Company therefore believes that it is not practical to provide segment disclosures relating to such expenses and accordingly such expenses are separately disclosed as unallocable and directly charged against total income. The assets of the Company are used interchangeably between segments, and the management believes that it is currently not practical to provide segment disclosures relating to total assets and liabilities since a meaningful segregation is not possible.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
M/S CES LIMITED**

Report on the Ind AS Standalone Financial Statements

Opinion

We have audited the accompanying Ind AS Standalone Financial Statements of **CES LIMITED** ("the company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, Profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit Procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A , a statement on the matters Specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued there under.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have pending litigations on its financial position in its standalone financial statements.
 - ii. The Company does not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of CES LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

22. Company overview

CES LIMITED (The “Company”) is an Information Technology (IT) and Information Technology Enabled Services (ITES) provider, dedicated to serving the midsize market of global enterprises.

23. Significant accounting policies

23.1 Basis of preparation of financial statements

- (i) Compliance with Ind AS

These Financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act 2013 and other relevant provisions of the Act.

- (ii) Historical Cost Convention.

These Financial Statements have been prepared on a historical cost basis, except for the following:

- Defined Benefit Plans – Plan assets measured at fair value.

23.2 Use of estimates

The preparation of the financial statements in conformity with the recognition and measurement principles of Ind AS required the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Actual results could differ from those estimates. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, and the useful lives of fixed assets and intangible assets. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset’s net sales price or present value as determined above.

Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

23.3 Revenue recognition

Income from software services and products: Revenue from professional services consist primarily of revenue earned from services performed on a “time and material” basis. The related revenue is recognized as and when the services are performed. The Company also performs time bound fixed-price engagements, under which revenue is recognized using the percentage of completion method of accounting. The cumulative impact of any revision in estimates of the percentage of work completed is reflected in the year in which the change becomes known. Provisions for estimated losses on such engagements are made during the year in which a loss becomes probable and can be reasonably estimated.

Revenue from the sale of user licenses for software applications is recognized on transfer of the title in the user license, except in case of multiple element contracts requiring significant implementation services, where revenue is recognized as per the percentage of completion method.

Interest income is recognized using the time proportion method, based on the transactional interest rates.

23.4 Fixed Assets

Tangible assets

Tangible assets are stated at actual cost less accumulated depreciation. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, finance charges and other incidental expenses incurred during the construction/installation stage.

Intangible assets

Intangible assets are recorded at consideration paid for acquisition and other direct costs that can be directly attributed, or allocated on a reasonable and consistent basis, to creating, producing and making the asset ready for its intended use.

Depreciation

In respect of fixed assets (Other than freehold land and capital work-in-progress) acquired during the year, depreciation/amortization is charged on straight line basis so as to write off the cost of the assets over the useful lives and for the assets acquired prior to April 1, 2014, the carrying amount as on April 1, 2014 is depreciated over the remaining useful life based on an evaluation.

The cost of and the accumulated depreciation for fixed assets sold, retired or otherwise disposed off are removed from the stated values and the resulting gains and losses are included in the profit and loss account. Lease payments under operating lease are recognized as an expense in the profit and loss account. An impairment loss is recognized wherever the carrying amount of the fixed assets exceeds its recoverable amount.

23.5 Foreign Currency transactions and translation

Transactions in foreign currency are recorded at exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currency are translated at the rate of exchange at the balance sheet date and resultant gain or loss is recognized in the profit and loss account. Non-monetary assets and liabilities are translated at the rate prevailing on the date of transaction.

23.6 Taxes on Income

Tax expense for the year comprises of current tax and deferred tax.

Income taxes are computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

The differences that result between the profit considered for income taxes and the profit as per the financial statements are identified, and thereafter a deferred tax asset or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount being considered. The tax effect is calculated on the accumulated timing differences at the end of the accounting period based on prevailing enacted or substantially enacted regulations. Deferred tax assets are recognized only if there is virtual certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

23.7 Earnings per share

In determining earnings per share, the Company considers the net profit after tax and includes the post tax effect of any extra-ordinary / exceptional item is considered. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable, had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

23.8 Retirement benefits to employees

Gratuity

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees, based on actuarial valuation made by an independent actuary as at the balance sheet date. In accordance with the Payment of Gratuity Act, 1972, the gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees' salary and the tenure of employment.

Provident Fund/ESI

Contributions to defined Schemes such as Provident Fund/ESI are charged as incurred on accrual basis. Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contributions along with interest thereon are paid at retirement, death, incapacitation or termination of employment. Both the employee and the Company make monthly contributions to the government-administered authority.

23.9 Impairment of assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset (including goodwill) may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined; if no impairment loss had been recognized.

23.10 Segment Accounting Policies

(a) Segment Assets and Liabilities:

The assets of the Company are used interchangeably between segments, and hence the assets and liabilities of the Company are currently treated as inseparable.

(b) Segment Revenue and Expense:

The Revenue and direct cost(including the payroll cost of all the employees and consultants which can be attributed to the revenue), excepting the un-allocable costs like personnel cost for the supporting services,

depreciation, operating expenditure, interest income on deposits, provision for contingencies and income tax, are directly attributed to the respective segments.

23.11 Provision and Contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

27. The Companies operations predominantly relate to providing IT Services in two primary business segments viz. IT Services and IT Enabled Services (ITES). The Company considers the business segment as the Primary Segment and Geographical Segment based on the location of the customers as the Secondary Segment.

The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainders of costs are apportioned on an appropriate basis. Certain expenses are not specifically allocable to individual segments as underlying services are used interchangeably. The Company therefore believes that it is not practical to provide segment disclosures relating to such expenses and accordingly such expenses are separately disclosed as unallocable and directly charged against total income.

The assets of the Company are used interchangeably between segments, and the management believes that it is currently not practical to provide segment disclosures relating to total assets and liabilities since a meaningful segregation is not possible.
